#	RESPONSES	DATE
1	I don't. Neither racist rapist deserves my vote. None of the candidates represent my views. The democrats cheated in the primaries, again. Fuck this country.	9/20/2020 10:19 AM
2	Joe Biden. Vice President Biden is intelligent, and shares my values. I look forward to having a sane and competent leader again in the WH.	9/18/2020 4:57 PM
3	NOBODY- Maybe Jo Jorgenson	9/17/2020 11:18 PM
4	Joe Biden, because Donald Trump has failed to protect the most vulnerable in our society, and his administration continues to make the US a laughing stock among the world every day, while committing war and humanitarian crimes in broad daylight.	9/17/2020 12:40 PM
5	Biden. He wasn't my first choice, but unfortunately our country is determined to relitigate the issues of the mid 20th century for as long as Boomers have political power. If that's the case, the choice is clear. Voting for Biden is the only sane choice.	9/17/2020 11:40 AM
6	Joe Biden because he is our best chance at having an liveable planet.	9/17/2020 8:18 AM
7	Trump, America first	9/17/2020 7:22 AM
8	Biden	9/16/2020 9:56 PM
9	Biden	9/16/2020 9:08 PM
10	Joe Biden because he will rebuild the economy, bring back jobs for the growing number of unemployed Americans, rejoin the world stage, address the ongoing climate and coronavirus crises with clean energy and affordable healthcare. He will also ensure our Supreme Court justice(s) and appointed judges will protect Roe v. Wade, civil rights, and voting rights.	9/16/2020 6:30 PM
11	Although I can't personally vote, my family will all be voting for Joe Biden, and I would be, too, if I were 18. Even though Joe Biden is not my ideal candidate, I prefer him much more than Donald Trump, who has consistently proven himself to be an unfit president and an amoral person.	9/16/2020 2:28 PM
12	biden - need to keep liberals on the supreme court and need to bring competency back to government	9/16/2020 12:47 PM
13	Biden	9/16/2020 12:35 PM
14	Biden, because Trump is a vile human.	9/16/2020 12:10 PM
15	PRESIDENT DONALD J. TRUMP - He's my favorite president!	9/16/2020 12:00 PM
16	Trump. Biden is clearly not all there, you just have to see him speak!	9/16/2020 11:48 AM
17	Na	9/16/2020 11:28 AM
18	Joe Biden. Unfortunately, Donald Trump seems intent on dismantling the rule of law and politicizing sectors of government we need to remain competent.	9/16/2020 11:10 AM
19	Biden, Trump is an actual villain and opposes almost everything I stand for.	9/16/2020 10:51 AM
20	Biden and Harris are terrible. Biden sniffs little girls hair and grabs their underbreasts while Harris slept her way to the top of the DA's office in San Francisco and paid false witnesses to wrongfully imprison African Americans. Trump and Pence are terrible and have mismanaged dozens of things and caused international embarrassment for the U.S. I honestly can't vote for either of them. Both are absolutely awful human beings with terrible track records that we cannot trust to run the country. If I had to vote, I would end up voting for Trump instead of Biden. I voted for Clinton last time and regretted it because she was awful too. If we could get someone that isn't a terrible person to run for office someday that would be great. I will likely not be voting at all this year on principle.	9/16/2020 10:45 AM
21	Biden - I cannot vote to re-elect our racist and ignorant president.	9/16/2020 10:38 AM
22	Joe Biden	9/16/2020 10:37 AM
23	Joe Biden because Donald Trump cannot continue to harm our country.	9/16/2020 10:15 AM
24	Biden - because it gets Trump out of office	9/16/2020 10:13 AM

25	Biden- will work with all people to create a better country.	9/16/2020 10:06 AM
26	Biden, unfortunately	9/16/2020 10:05 AM
27	Probably Joe	9/16/2020 10:00 AM
28	Biden because of Trump's utter failures to enact policies that will help all Americans	9/16/2020 9:49 AM
29	Biden - he's experienced and NOT TRUMP	9/16/2020 9:07 AM
30	N/A	9/16/2020 8:52 AM
31	Trump	9/16/2020 8:42 AM
32	Biden. He's the lesser of two evils	9/16/2020 8:35 AM
33	Joe Biden because Trump is a garbage person	9/16/2020 8:15 AM
34	President Trump	9/16/2020 7:26 AM
35	Biden/Harris because Trump is the worst human, president, and a continual threat to everything I believe in. Also Harris is a badass woman and it's time for a female person of color to hold the office.	9/16/2020 7:26 AM
36	Biden, lesser of two evils	9/16/2020 6:21 AM
37	Biden-time to vote the asshole out	9/16/2020 6:16 AM
38	Biden	9/16/2020 6:13 AM
39	Trump, because conservative policies are BEST for everyone.	9/16/2020 5:44 AM
40	Biden because Donald Trump is a distraction, a demagogue, and a con artist. Biden at least believes in Democracy and institutional integrity. I think people need to pay more attn to voting during elections if actual lawmakers, not the President	9/16/2020 3:39 AM
41	Biden	9/15/2020 10:53 PM
42	Joe Biden	9/15/2020 10:38 PM
43	Biden. The only path forward that seems sane and logical.	9/15/2020 10:35 PM
44	Biden. Not my first choice but he's the best choice for our country. We have to choose a candidate that values all of its citizens and not just the ones that support them.	9/15/2020 9:29 PM
45	Biden	9/15/2020 9:18 PM
46	Biden. Gosh it's time for a new president. The environment,immigration and everything need help.	9/15/2020 8:31 PM
47	Joe Biden. Because he's the only viable option. We had the guy who would have made an actual difference, Bernie Sanders. But now we have to just get Trump out of office. Biden is another company man who will be easily bought, like most politicians, but at least he's an outwardly nice person.	9/15/2020 7:54 PM
48	Biden. I don't think 4 more years of Trump would benefit our country at all. I don't believe there has been leadership. Biden isn't necessarily who I want to be president, but the better option. The 2020 election to me is take Trump out. Trump has not shown leader behavior and has been a bully making many matters worse.	9/15/2020 7:50 PM
49	Biden	9/15/2020 7:27 PM
50	Biden because I would have voted for Bernie but I'm willing to bite the bullet to avoid Trump.	9/15/2020 5:52 PM
51	Joe Biden - he was not my favorite democratic candidate but he is professional, respectful, qualified, and has a great team to support him	9/15/2020 3:54 PM
52	Joe Biden because he's not a fascist like the shriveled orange that is currently sitting in the White House.	9/15/2020 3:44 PM
53	I will be voting for Joe Biden. President Trump is a racist, habitual liar, fear monger, and a sexist. He prefers a divided America but not separate branches of government as he	9/15/2020 3:20 PM

continually leans on members outside of the legislative branches umbrella to do his bidding like the acquittal of Roger Stone. He is also a climate change denier.

54	Joe Biden because unfortunately that's the best the democrática can come up with	9/15/2020 2:29 PM
55	Biden. While I personally support Biden as a candidate and believe he will do a good job, everyone should consider voting for him to end the current administrations failures.	9/15/2020 12:20 PM
56	Biden, because if we don't, we're fucked.	9/15/2020 11:13 AM
57	Biden/Harris	9/15/2020 10:46 AM
58	Joe Biden/Harris	9/15/2020 10:36 AM
59	Neither. I reject Trump and conservative ideology as immoral, but it doesn't seem like Joe Biden actually presents a material alternative. His only pitch seems to be that Trump is a mean old man and he is a nice old man. I don't care about "unity" and "the soul of the nation" or whatever. Frankly, I'd rather have an insane, mean old man who fights for Medicare for All and a Green New Deal. If Democrats want my vote they can vigorously fight for material policies I care about.	9/15/2020 10:31 AM
60	TRUMP	9/15/2020 10:19 AM
61	Joe Biden because he's not divisive nor does he greenlight blatant racism.	9/15/2020 9:55 AM
62	Biden	9/15/2020 9:35 AM
63	None. I don't support either candidate. If I had to chose, I would chose Trump however, on moral and ethical grounds, it is very difficult for me to support him.	9/15/2020 9:11 AM
64	Biden because he acknowledged climate change, racial injustice, police brutality, and is not racist, xenophobic, and hateful like Trump.	9/15/2020 9:09 AM
65	Joe Biden. To put it simply, I think he's the only one of the two major candidates that is actually interested in fulfilling the duties of president.	9/15/2020 9:06 AM
66	donald trump	9/15/2020 9:06 AM
67	Trump, if you look at history and what Trump has actually done for the country vs Biden. Trump wins. Biden is a part of the political system who has not accomplished much. He has been a part of the socail injustice and will continue to be. It's obvious.	9/15/2020 8:00 AM
68	Biden, our country will burn *more* if we keep this administration	9/15/2020 7:15 AM
69	Trump, probably, with a closepin firmly on nose. Biden is senile.	9/15/2020 6:47 AM
70	I'm undecided because neither are attractive to me.	9/15/2020 1:19 AM
71	Biden. Not thrilled but if I have to choose between drinking a glass of raw sewage or a glass of tepid centrism, the choice is clear.	9/15/2020 1:18 AM
72	Trump because he cares about the country and Democrats have turned into the worst shady hypocrites and can't name why they will do, only attack Trump so their are no real polices they talk about AND they think riots and looting should continue	9/15/2020 12:01 AM
73	Joe Biden	9/14/2020 11:51 PM
74	Biden- it's the right change	9/14/2020 11:13 PM
75	With all honesty neither. I would rather vote for an upturned broom with a bucket for a head than either of them.	9/14/2020 10:59 PM
76	Biden. He is more capable than trump could ever be. We are less safe as a nation as a direct result of trumps incompetence.	9/14/2020 10:35 PM
77	Joe Biden, I am afraid of Trump continuing to lead our country	9/14/2020 8:38 PM
78	Biden, because Bernie And Elizabeth Warren didn't win and I have to.	9/14/2020 7:51 PM
79	Biden	9/14/2020 7:35 PM
80	I plan to vote for Joe Biden. I believe the change in leadership and fresh ideas will provide stability to national unrest.	9/14/2020 7:34 PM

81	Trump, positive results over the last 4 years	9/14/2020 7:15 PM
82	Biden, because trump is the worst. In a perfect world warren would be president	9/14/2020 7:10 PM
83	Joe Biden	9/14/2020 6:53 PM
84	Biden because he is the change we need to be unified, make a difference for climate and health care	9/14/2020 6:46 PM
85	Trump	9/14/2020 6:37 PM
86	Biden	9/14/2020 5:53 PM
87	TRUMP 2020	9/14/2020 5:33 PM
88	Biden because Trump is hell-bent on destroying the environment and could possibly dismantle our democracy judging from his increasingly erratic behavior.	9/14/2020 5:26 PM
89	Joe Biden. No need to explain.	9/14/2020 5:20 PM
90	Biden. Trump is as corrupt as they come. He must be defeated.	9/14/2020 5:19 PM
91	Biden - Despite being mentally unfit, he is less unhinged then Trump. I would have preferred literally any other democrat, especially Yang or Sanders	9/14/2020 5:13 PM
92	Jo Jorgensen; because both main parties don't represent my beliefs.	9/14/2020 5:10 PM
93	Biden, because Trump is an incompetent narcissist.	9/14/2020 5:07 PM
94	Joe Biden because he believes in science and will take action to fight climate change. And he plans to do more to address racial inequality and injustices than Trump.	9/14/2020 2:43 PM
95	biden, because he's not trump and he's a decent human being	9/14/2020 2:14 PM
96	Biden, because fuck Trump	9/14/2020 1:21 PM
97	Biden, because Trump is ignorant, insane, racist, and an egomaniac who doesn't give a rat's ass about individual lives or the safety of the country	9/14/2020 1:18 PM
98	Biden	9/14/2020 1:10 PM
99	Joe Biden because I agree with many of his policies and I believe that our country will be in shambles if Trump is re-elected.	9/14/2020 11:52 AM
100	Biden/ Harris	9/14/2020 11:24 AM
101	Biden	9/14/2020 11:08 AM
102	Biden, because I want to live to see the next decade. Trump is woefully inept at his job and the coronavirus crisis has proven his utter lack of leadership and compassion. The 190,000+ U.S. deaths could have been far less with an organized national response. Trump has done nothing and is responsible for these deaths as he has done everything in his power to downplay a national crisis that could have been managed early on.	9/14/2020 10:11 AM
103	biden, because there is no other option.	9/14/2020 10:10 AM
104	unfortunately Biden because I don't want Trump but I don't want biden but I also don't want last election's split vote to happen again.	9/14/2020 9:55 AM
105	NA	9/14/2020 8:39 AM
106	Sadly Biden. "Lesser of two evils" I do not like Biden but as Angela Davis said, we need to vote for the regime that will be the easiest to overthrow	9/14/2020 8:20 AM
107	Trump	9/14/2020 3:34 AM
108	Biden/Harris: This vote is neither an endorsement nor support of the corporate, neoliberal politics that led to a neofascist like Donald Trump becoming president. Neither Biden nor Harris are representative of what our country, our people, or our planet need right now. My vote to oust Trump's is to fight against authoritarian neofascism, before fighting against the corrupt, Wall Street politics of Clinton, Pelosi, Obama, Perez, Biden, Harris, etc.	9/13/2020 8:49 PM
109	Biden	9/13/2020 12:40 PM

110	Joe Biden	9/13/2020 11:10 AM
111	Joe Biden and Kamala Harris, my vote will be a vote against Trump and there are countless reasons to do that.	9/13/2020 11:06 AM
112	Biden	9/13/2020 9:34 AM
113	Joe Biden. Another 4 years of the current administration will destroy the climate for good. This country and this world will never recover or be able to truly unify.	9/13/2020 6:46 AM
114	Biden	9/12/2020 11:27 PM
115	Joe Biden	9/12/2020 9:38 PM
116	Biden - Don't love him, but we need a return to normalcy	9/12/2020 9:27 PM
117	Biden	9/12/2020 8:27 PM
118	Biden	9/12/2020 7:54 PM
119	Biden because there's no other option - I would have voted Bernie.	9/12/2020 6:10 PM
120	Either Jo Jorgensen or President Trump. Jo wants to dramatically reduce the size of government and liberate the individual which I am heavily in support of. The democrats seem to hate America and are not focusing on issues the majority of everyday Americans care about. Joe Biden is clearly not in any sort of mental shape to lead our country. He has no back bone and just lets the people behind the scenes pull his puppet strings. His mental state is quite frankly frightening.	9/12/2020 4:24 PM
121	Biden	9/12/2020 4:12 PM
122	Trump	9/12/2020 3:25 PM
123	Joe Biden, I guess. Donald Trump sucks.	9/12/2020 3:00 PM
124	Trump	9/12/2020 1:38 PM
125	I did not vote for him in 2016 but I will be voting for trump because he is actually doing his job and helping everything as much as he can	9/12/2020 1:09 PM
126	Joe Biden. He wasn't my first choice among the democratic candidates by any means, but I still believe his presidency would make a hugely positive impact for the U.S. in comparison to Trump. My vote may not count for much, especially in CA, but I'd feel irresponsible not casting it when a real change for the better is at stake (even if it's not as big of a change as I'd hoped for).	9/12/2020 11:32 AM
127	Biden	9/12/2020 8:01 AM
128	Biden- he's an actual functioning adult instead of a destructive man child who puts our country on the brink of war because of his tweets and sheer ineptitude.	9/12/2020 7:41 AM
129	Biden/Harris	9/12/2020 2:48 AM
130	Not Biden. He's had years in politics to address the things he says he will fix and still does not have the results to prove it.	9/12/2020 12:14 AM
131	Joe Biden. A responsible centrist who will help repair the damage done over the past 4 years while not kowtowing to the hyperbole of the far left	9/11/2020 9:14 PM
132	Trump- national safety, constitutional rights and american freedoms	9/11/2020 9:02 PM
133	Biden because we need to move forward away from Trump and the extreme divisiveness that it has caused, although I'm not sure how we can heal these wounds	9/11/2020 6:49 PM
134	Biden - he has basic human decency and isn't trump	9/11/2020 6:44 PM
135	Biden	9/11/2020 6:20 PM
136	Biden. I believe that we must first get ourselves out of a fascists regime in order to begin the implementation of progressive policies like free healthcare and college for all, a green new deal, and election reform.	9/11/2020 5:00 PM

137	I guess it's sadly gonna be Biden. I'm only voting for him because Trump is still worse.	9/11/2020 4:45 PM

139	Biden	9/11/2020 4:35 PM
140	Biden, because he is the best chance to beat Trump	9/11/2020 2:48 PM
141	Joe Biden. Donald Trump promotes economic, racial, and gender inequality.	9/11/2020 2:46 PM
142	Joe Biden, because Trump is a deeply evil human being.	9/11/2020 2:30 PM
143	Biden - He is reasonable, logical, and a leader	9/11/2020 2:24 PM
144	Joe Biden. It should be obvious. Fuck Trump.	9/11/2020 1:52 PM

146	Mark Charles, He is an indigenous man who is looking to abolish slavery	9/11/2020 1:45 PM
147	I can't vote, as I'm not a citizen	9/11/2020 1:38 PM
148	Biden	9/11/2020 1:14 PM

151	Joe Biden	9/11/2020 12:43 PM
152	Biden	9/11/2020 12:27 PM
153	Undecided, because Biden has not yet done anything to earn the progressive vote and being in a blue state I consider voting green so they might get federal funding.	9/11/2020 12:08 PM
154	That is up to me in November.	9/11/2020 11:49 AM
155	Biden/Harris, only because there is no real progressive option and Trump is literally killing us.	9/11/2020 11:48 AM
156	I will begrudgingly be voting for Joe Biden in November, because he at the very least pretends to care about human rights regardless of race or socioeconomic status unlike the current president. I do not think Biden is a good choice for president because of his commitment to the very obviously harmful status quo in politics and in our nation as a whole, but he is not actively degrading people's quality of life and undermining our trust in each other and facts.	9/11/2020 11:33 AM
157	Biden, because Trump is an incompetent greedy racist that only cares about himself and 'his' money	9/11/2020 11:27 AM
158	Biden He is the best hope	9/11/2020 11:11 AM
159	Biden because he's at least better than trump	9/11/2020 11:11 AM

161	Anyone except trash Trump.	9/11/2020 10:28 AM
162	Biden - not my fav candidate but will literally do anything to get Trump out of office	9/11/2020 10:10 AM
163	Biden, who I think is fine	9/11/2020 10:00 AM
164	NEITHER! Both choices are not representatives of my ssocio political beliefs and I do not believe either represents the American people accurately.	9/11/2020 9:29 AM
165	Biden because he has the best chance of beating Trump and will make positive change for our country.	9/11/2020 9:24 AM
166	Biden. He's the only candidate the represents the ideals of the US	9/11/2020 9:03 AM
167	Biden because Trump sucks.	9/11/2020 8:12 AM
168	Not sure	9/11/2020 7:33 AM

170	Biden. Because he's capable of leading and not a racist piece of shit. Yea - the bar is that low this year.	9/11/2020 7:23 AM
171	President Trump, he keeps his promises, the robust economy he engineered prio to COVID19 and he is clearly more competent that Joe Biden	9/11/2020 7:21 AM
172	Joe Biden because duh	9/11/2020 7:09 AM
173	Biden	9/11/2020 7:03 AM
174	Biden - do I even need a reason for not trump? I believe Biden is the first step towards making a true difference in the US and helping mitigate our climate impact.	9/11/2020 1:48 AM
175	Currently undecided because neither of the major party candidates support the issues I care about.	9/11/2020 1:12 AM
176	Biden - we have no other choice. Electing trump is equivalent to the end of our democracy	9/11/2020 1:12 AM
177	Neither, can't trust either to unify the country	9/10/2020 11:33 PM
178	Biden	9/10/2020 11:22 PM
179	Bidrn	9/10/2020 11:17 PM
180	Biden. I hate it, he is an old fashioned moron who makes political decisions that he thinks people will like and wont commit to needed policies like the green new deal and Medicare for all. But I cant vote for the orange tyrant or any Republican for that matter as they are fascists.	9/10/2020 11:03 PM
181	Joe Biden because I think he is a genuinely good person who will do more to unify the county, repair our image around the world, and set us on a progressive path forward.	9/10/2020 10:23 PM
182	I will vote for Biden because he's the Democratic nominee. If the country is going to have a chance of surviving racial injustice and Corona virus, Trump ahs to be voted out of office.	9/10/2020 10:15 PM
183	Joe Biden, because he is a solid option for the left (ticks most boxes) and one we can push to become more progressive once he's in office.	9/10/2020 10:12 PM
184	Biden	9/10/2020 10:10 PM
185	Biden	9/10/2020 9:48 PM
186	Biden. I do not like the two party system, but certain Supreme Court decisions are at stake as two justices approach old age; cases that affect social and reproductive rights for females and the lgbtq+ community.	9/10/2020 9:47 PM
187	Biden - Trump is a joke.	9/10/2020 9:33 PM
188	Biden - Because Trump has done nothing but harm this country and enabled the wrong kind of people.	9/10/2020 9:26 PM
189	Biden begrudgingly because at least he isn't outwardly a bigot	9/10/2020 9:25 PM
190	Biden because he's a vote for democracy and a vote against fascism	9/10/2020 9:13 PM
191	Biden; Trump is a moron.	9/10/2020 9:08 PM

246	Biden, unfortunately. I wanted Sanders or Warren, but DNC was never going to allow that. I disagree with Biden's centrist policies, but four more years of Trump may well spell the end of democratic rule of law.	9/10/2020 2:09 PM
247	Biden because as a collective group so much more harm would be done if the current president stayed in power. It's mentally exhausting to keep living under those circumstances. 248	Biden, for Green New Deal and energy plans. Also Trump is despicable	9/10/2020 1:55 PM
249	Donald Trump - Voting in America should be far less about personality, and far more about agenda and policy. I voted for Hillary 4 years ago, but I think Trump is a better choice than Biden. Overall, Trump's policies have not been terrible in my opinion. I also worry about Democrats being so desperate to win, they will undermine the integrity of the election. I have been so disappointed with the rhetoric from both the left and the right, but since 2016, the bitterness and disappointment from the Dems has given rise to another level of violent and mean political discourse. All that said, I strongly dislike Trump, so it might be a ballot box decision.	9/10/2020 1:53 PM

266	Biden. This country cannot withstand another 4 years of Trump. I am not a big fan of many of Biden's stances/political history, and he is arguably much more of a centrist than a Democrat/liberal, but I think he is human and has the capacity to listen and learn from his compatriots that Trump simply does not have.	9/10/2020 1:12 PM

But he's the only one I believe would have actually changed anything especially climate action. In Bernie illegalized throwing away food, it now has to be composted. Throwing away food into landfills releases tons of methane gas into the atmosphere. A large contribution to global warming. I want to see this happening in SB!	9/10/2020 12:38 PM
279	Joe Biden. he isnt trump.	9/10/2020 12:21 PM

306	A third party candidate. I don't trust Trump as a leader. I think Biden's main argument of "at least I'm better than that guy" is not good enough for me to vote for him. I think neither one will serve our country well because they will not work to collaborate with all members of Congress but will remain siloed in their echo chambers. We need leaders who will think outside the box because the reality we're living in right now is something our recent generations have not faced. We need leaders who will look to the past and to people who think differently from them in order to lead us well during this tumultuous time. Also - how are we in 2020 and the two leading candidates are old, rich, white guys?!	9/10/2020 10:44 AM

378	Warren	9/9/2020 8:36 PM
379	Joe Biden -- For countless reasons, but primarily because Ruth Bader Ginsberg is old and we can't have another Trump appointee in our highest court.	9/9/2020 8:25 PM
380	Joe Biden. My priority is to get Trump out of the White House as our country's democracy deteriorates by the day. I was hoping for a more progressive candidate than Biden, but I know he will do a better job than Trump ever could.	9/9/2020 8:23 PM
381	Biden. Trump is unfit for office.	9/9/2020 8:17 PM
382	Biden reluctantly because I don't think we can survive another Trump term. I am concerned that we may not survive the election. It's a scary world we are living in.	9/9/2020 8:11 PM
383	Biden unfortunatly	9/9/2020 8:07 PM
384	Biden	9/9/2020 8:06 PM
385	Biden because fuck trump	9/9/2020 7:51 PM
386	Trump	9/9/2020 7:46 PM
387	Biden. Not Trump	9/9/2020 7:41 PM
388	Trump because I do not agree with the socialism plan Democrats are constantly talking about. I also believe that immigration should be legal and merit-based, and to protect Americans that live out their faith without being targeted	9/9/2020 7:37 PM
389	Howie Hawkins because the green party is the most viable third party. Democrats and Republicans do not care about normal people and do not implement policies that I support or that benefit the vast majority of Americans. I live in California so my vote will not impact the electoral college results. But I do want to show support for third parties to hopefully break the two-party system plaguing this country.	9/9/2020 7:23 PM
390	Biden	9/9/2020 7:22 PM
391	Joe Biden	9/9/2020 7:17 PM
392	Biden because my community and my health depends on it. The administration has no respect nor consideration for the working class let alone for the community of color, especially during a pandemic.	9/9/2020 7:15 PM
393	Biden, for progressive reasons	9/9/2020 7:03 PM
394	Biden. Better than Trump	9/9/2020 7:00 PM

395	Trump	9/9/2020 6:58 PM
396	Donald Trump. I don't like Trump in general, but I do agree with some policies. I hope that this election destroys the democratic party and maybe in 2024 or 2028 we can have two populist parties. It's silly to think that the largest economy on the planet manufactures little of its own goods. The United States should not depend on the world and the world should not depend on the United States. We've had a century of American involvement in every continent. Its time to have a century of peace.	9/9/2020 6:48 PM
397	Biden .. because Trump is a horrible human	9/9/2020 6:47 PM
398	I am protesting the presidential candidates. This will be the second election in which both parties failed to provide competent leadership. I would argue that without the option of election nullification we will never be truly free. Power lies in the people!	9/9/2020 6:34 PM
399	Biden - for the love of God, Country, and the future of humankind	9/9/2020 6:30 PM
400	Joe Biden, without a doubt. Pardon my language, but FUCK DONALD J. TRUMP.	9/9/2020 6:24 PM
401	Biden	9/9/2020 6:18 PM
402	Biden, I'm not a democrat, I'm a socialist and Biden is not who I want as president but I believe he would be more responsive to social movements than the fascist we have in office now.	9/9/2020 6:15 PM
403	Biden Harris	9/9/2020 6:14 PM
404	Biden because I do not think Trump is the correct person to be president of the United States.	9/9/2020 5:53 PM
405	Biden	9/9/2020 5:40 PM
406	Joe Biden because he could at least point us in the right direction. Trump is a threat to every single person in this country whether they realize it or not. He has blood on his hands and he will never have enough.	9/9/2020 5:26 PM
407	Biden, to get Trump out. Someone like Bernie or elizabeth would have been my 1st choice.	9/9/2020 5:18 PM
408	Biden (Warren was my first choice)	9/9/2020 4:58 PM
409	Joe Biden	9/9/2020 4:48 PM
410	Biden, because he's not a piece of shit. He's not great but Trump and all his cronies are everything that is wrong with America.	9/9/2020 4:38 PM
411	Biden, because I think he is a good person, with morals and values. I support a lot of his positions. Also not a fascist, so that's a plus!	9/9/2020 4:33 PM
412	Biden because fuck trump	9/9/2020 4:23 PM
413	Biden—better on the important issues, also not a fascist.	9/9/2020 4:13 PM
414	Biden. He will appoint capable people to positions of power and slow down the dismantling of our country	9/9/2020 4:13 PM
415	Joe Biden. Because it's the right thing to do.	9/9/2020 4:02 PM
416	Biden... settling, really. We cannot afford 4 more years of trump.	9/9/2020 3:58 PM
417	Biden	9/9/2020 3:40 PM
418	Biden	9/9/2020 3:40 PM
419	Settle for Biden	9/9/2020 3:15 PM
420	Joe Biden, because 45 is a racist rapist, among other things.	9/9/2020 3:15 PM
421	Biden, because he's not Trump. I'd vote for a moldy sandwich if it had a chance of beating him, tbh.	9/9/2020 3:14 PM
422	Trump, because a vote for Biden is a vote for decades of inaction and racism.	9/9/2020 3:05 PM
423	I am voting for Howie Hawkins and Angela Walker, the Green Party candidates for President/VP. Their platform addresses many of the issues I'm most concerned about,	9/9/2020 3:00 PM

including a COVID response, ending racial and economic inequality, and an ambitious plan to fight climate change with a real Green New Deal (Hawkins was the original GNDer back in 2010). As horrific as Trump has been, I'm disappointed that the Democratic Party keeps abandoning working people and moving to the right. The Democratic platform does not address my concerns or present a strong enough vision of the future of this country.

424	Biden. I shudder to imagine what 4 more years of trump would be like if where we are after the first 4 is any indication of what's to come.	9/9/2020 2:59 PM
425	Biden Trump is crazy	9/9/2020 2:53 PM
426	Biden	9/9/2020 2:52 PM
427	Joe Biden because I care about a drastic change in the response of coronavirus. Trump is an absolute menace on this country and emphasizes systemic inequities across the US.	9/9/2020 2:47 PM
428	Biden - because the alternative is utter ruin for our country.	9/9/2020 2:43 PM
429	Biden. Only because the options I was actually enthusiastic about (truly progressive candidates) are no longer in the race. Democratic Party is going to compromise poor people to death, but we've still got to play the game.	9/9/2020 2:34 PM
430	Biden because Trump is terrifying	9/9/2020 2:31 PM
431	not trump or biden, is there no better candidates? really america?	9/9/2020 2:30 PM
432	Joe Biden	9/9/2020 2:26 PM
433	Joe Biden because we need to support the candidate who will sign reform-based legislation and appoint the next Supreme Court Justice	9/9/2020 2:25 PM
434	Joe Biden—He has a concrete plan to attempt climate change, he has a more liberal health care stance and he isn't a sociopath.	9/9/2020 2:25 PM
435	Biden	9/9/2020 2:16 PM
436	I'll hold my nose to vote for Biden. Trump is responsible for the deaths of almost 200,000 Americans because of his apathy toward the pandemic.	9/9/2020 2:14 PM
437	Joe Biden	9/9/2020 2:11 PM
438	Biden!!	9/9/2020 2:10 PM

441	Biden — definitely can't handle 4 more years of Trump	9/9/2020 2:04 PM
442	Biden	9/9/2020 2:03 PM
443	Unknown	9/9/2020 1:59 PM
444	Biden. Come on. Do I need to explain why?	9/9/2020 1:58 PM
445	Joe Biden, because we need to get Trump out of office!	9/9/2020 1:57 PM
446	Biden because he's not as awful as Trump	9/9/2020 1:55 PM
447	Biden, we need to a responsible president who doesn't thrive on division	9/9/2020 1:54 PM
448	Trump he is America First and leads us toward a more prosperous society	9/9/2020 1:53 PM
449	Biden	9/9/2020 1:52 PM
450	Joe Biden, because Donald Trump is the worst president in US history, a facist, and threat to the democracy and any progress to be made	9/9/2020 1:48 PM
451	Joe Biden, because Trump has shown he's unfit to lead.	9/9/2020 1:48 PM

455	Joe Biden. He's currently the antithesis of Trump and His administrations policies which are borderline fascist.	9/9/2020 1:42 PM
456	Joe Biden	9/9/2020 1:39 PM
457	Biden because Trump is a lunatic and Bernie didn't make it	9/9/2020 1:36 PM
458	Donald Trump	9/9/2020 1:35 PM
459	Biden. Trump stands for hate and will continue to turn our democracy into a dictatorship. I would be happy with anyone in the office, Republican or Democrat so long it's not Trump.	9/9/2020 1:34 PM
460	Joe Biden, bc it's a vote for Kamala Harris	9/9/2020 1:34 PM
461	Biden - Will unify the nation, be more fiscally responsible, mend ties with our allies, work towards a better healthcare system.	9/9/2020 1:29 PM
462	Biden	9/9/2020 1:29 PM
463	Joe Biden	9/9/2020 1:28 PM
464	Biden. Because the alternative makes our nation an embarrassment across the world.	9/9/2020 1:26 PM
465	Donald Trump is a clown.	9/9/2020 1:25 PM
466	probably Biden only because Trump is killing people.	9/9/2020 1:25 PM
467	Not really sure. But Biden would be my last resort because Trump needs to go !	9/9/2020 1:24 PM
468	Joe Biden, because I can't take another 4 years of Trump.	9/9/2020 12:51 PM
469	Bernie Sanders because we live in a blue state and Biden will win but I refuse to vote for someone who stands for nothing and told his donors that nothing will change.	9/9/2020 12:44 PM
470	Biden because Trump has got to go	9/9/2020 12:24 PM
471	Joseph R. Biden. Jr. To save US democracy from becoming autocracy.	9/9/2020 11:59 AM
472	My Dog, because the other two candidates are offering nothing and at least my dog will bring a ball back if I throw it.	9/9/2020 11:56 AM
473	Biden because I do not want to experience an additional 4 years under the lack of leadership & empathy of Donald Trump.	9/9/2020 11:38 AM
474	Joe Biden	9/9/2020 11:27 AM
475	Joe Biden. A second term for our current president would mean the end of American democracy as we know it. I wish Bernie was the dem candidate.	9/9/2020 11:26 AM
476	Joe Biden	9/9/2020 10:37 AM
477	Joe Biden, too many reasons to count	9/9/2020 10:32 AM
478	Biden - Warren was first choice - Trump is a narcissistic predator who is well on his way to becoming a dictator and he is not mentally stable.	9/9/2020 10:21 AM
479	Trump - promises made and promises kept	9/9/2020 10:04 AM

482	Joe Biden because he's the only adult running	9/9/2020 9:48 AM
483	Joe Biden because he's not Trump. Donald Trump is inept and unfit to lead this country. His rhetoric is divisive, is causing hundreds of thousands of people to die, and making a mockery of the United States. He's also almost incited nuclear war on a number of occasions and is actively contributing to climate change by pulling out of international climate agreements and causing distrust in science. He's turning our government into a corrupt autocracy.	9/9/2020 9:35 AM
484	Trump . He is standing up for the AMERICANS	9/9/2020 9:21 AM

485	Joe Biden— he's not my first choice candidate, but Trump must be put out of office	9/9/2020 9:20 AM
486	Biden - I don't like him but at least he won't permanently destroy American democracy	9/9/2020 9:18 AM
487	Biden	9/9/2020 9:15 AM
488	Joe Biden. I'm not a big fan of his or anything, but he is our only hope for salvaging our democracy and confronting any of the numerous crises our country is currently facing.	9/9/2020 9:10 AM
489	Joe Biden. While he wasn't my first (or even second) choice, if Trump gets another 4 years, he gets more Supreme Court nominations and other justices. Not to mention the irreparable damage he's already caused. I can't even believe this is a question, he is, has been, and will be unfit to be POTUS.	9/9/2020 9:00 AM
490	He wasn't even my 5th choice, but Joe Biden. He makes a lot of blanket statements, gets a lot of praising for doing the bare minimum and adds absolutely nothing to the conversation, but we need to get the cheeto out of office plain and simple. I do think that Biden would be a "better" present but that's only because the bar is so, so low.	9/9/2020 8:54 AM
491	Joe Biden - I'm not thrilled about it, but I think Trump is dividing us. Hopeful for positive change.	9/9/2020 8:52 AM
492	Biden	9/9/2020 8:45 AM
493	Biden, but only because Trump is so horrible, I am not excited about him as a candidate and do not trust him or Harris. Literally the worst two candidates the Democratic party could have picked but I feel stuck. If Trump wasn't running but Biden was still the Dem candidate I would vote 3rd party	9/9/2020 8:38 AM
494	Biden, b/c a resounding victory against Trump is critical. As Michelle Obama said-- vote like our lives depend on it.	9/9/2020 8:35 AM
495	Biden	9/9/2020 8:05 AM
496	Biden	9/9/2020 8:01 AM
497	I'm most likely going to vote third party since my vote won't make a difference in CA and I know Biden will get CA's electoral votes. I'm most likely going to write in Mark Charles, an independent candidate.	9/9/2020 7:38 AM
498	Biden. He is a decent, capable, informed man	9/9/2020 7:35 AM
499	Undecided, they both suck.	9/8/2020 10:40 PM
500	Biden	9/8/2020 9:25 PM
501	Joe Biden.	9/8/2020 9:25 PM
502	Joe Biden, I would like this nation to be a tad more stable than it is in the moment. Oh and for someone to actually take Covid 19 seriously.	9/8/2020 8:48 PM
